### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach nor render obvious the instantly claimed invention. There is no teaching in the art to grow the crystal as is claimed using a gap and an oscillating motion. The prior art does teach the use of a mold to grow crystals from a solution. However, the art does not teach that the mold is to be moved in fact the art as a whole teaches that the solution be kept still to allow for growth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
